****Supervision will be provided for children during the Parent Information Sessions.**

Please join us to celebrate the beginning of the new school year, to welcome families to our community, to meet your child's class teacher and gain relevant information pertinent to his/her class and the school.

We appreciate those families who have children in several classes that there will be some clashes of time. Teachers will be preparing a handout so if you miss the teacher's talk you may collect this from them.

Please Note: This is an information session only, not the opportunity for a Parent/Teacher interview as teachers who are not meeting with parents will be supervising students.

If you would like to have an interview please arrange a suitable time at a later point. For catering purposes please return the RSVP by Wednesday, 15th February 2017.
