Macquarie Regional Library and Taronga Western Plains Zoo Excursion

Dear Parents,

This term, in English lessons we are exploring picture books shortlisted in the Children's Book Council of Australia (CBCA) Book of the Year: Early Childhood category. In Science lessons we are investigating the basic needs of animals and how their senses help them to stay alive in their environment.

All of the 2017 CBCA shortlisted texts we are studying feature animals, so this is a wonderful opportunity to integrate our learning in English and Science.

To complement our units of work, 'Finding the Book of the Year' and 'Staying Alive', we have organised an excursion to Macquarie Regional Library and Taronga Western Plains Zoo, Tuesday 29th August.

On this day, Kindergarten will participate in engaging learning activities with the library youth services officer and zoo education officer.

We are all excited and looking forward to a great day out!

Please fill in the attached excursion form and return to school by Friday 25th August. If you have any queries, feel free to contact us.

Kind Regards,
KB and KG Teachers
